VITAL RECORDS

OF

HOLDEN,

MASSACHUSETTS,

To the end of the year 1849.

WORCESTER, MASSACHUSETTS:
PUBLISHED BY FRANKLIN P. RICE,
Trustee of the Fund.
1904.

Stanhope Press
F. H. GILSON COMPANY
BOSTON, U.S.A.

Publisher's Note.

THE list of Holden Births, Marriages and Deaths comprised in this volume includes all found in the Town Books during the period from the earliest date there recorded to the end of the year 1849. Some additions and corrections have been made from other sources, these being indicated in each instance by proper reference.

All of the records are condensed in print as much as is consistent with intelligibility, accuracy, and completeness of information. Differences in duplicates, and explanatory or other matter which seemed necessary or desirable, appear in brackets.

Marriages and intentions of marriage are printed under the names of both parties, but the full information concerning each person is given only under his or her name. An asterisk after a marriage indicates that the intention was not found recorded, and in many cases this is accounted for by the fact that neither party belonged in Holden, and consequently publishment was made elsewhere.

The double date is used in the months of January, February and March prior to 1752 only when it so appears in the original, and instances of the modern form after 1725 are not uncommon.

When places other than Holden and Massachusetts are named in the original records, they are given in the printed copy.

Holden.

THIS town was taken wholly from the original territory of Worcester, and was incorporated January 9, 1741. It received its name from Hon. Samuel Holden, a generous benefactor of the Province and of Harvard University.

In 1804 and 1808 portions of the town were annexed to Paxton and West Boylston; and in 1831 and 1838 further changes in territorial limits were made between Holden and Paxton.

† "In Holden, after an illness of nine days, Susannah and Mary Newell, twin sisters, aged 66. They had lived together in a house by themselves for thirty-three years, and, by their industry and frugality had acquired a comfortable livelihood. The difference between the time of their decease was about ten hours, and they were both put in one coffin and interred in one grave. Their habits and occupations were the same during their lives; neither of which had ever been married and in their death they were not divided."—*Massachusetts Spy* September, 1836.
